

BASIC MIX

3 Cups sifted flour
1 Tablespoon baking powder
1 teaspoon salt

Sift together to mix thoroughly

$\frac{2}{3}$ Cup shortening

Pack shortening into a $\frac{1}{3}$ C.
dry measuring cup two times to get
 $\frac{2}{3}$ cup shortening. Clean measuring
cup with a rubber scraper to get all of
the shortening.

Cut shortening into dry ingredients with a pastry blender until all of the flour is coated.

Put finished product in a quart sized ziploc bag.

Write your class period and group color on the bag.
